The Houston Zoo is offering yoga for kids and their parents among the animals (not behind the cages, mind you!). And the good news is that you don't have to be wild about fitness to love this zoo-themed yoga class. Children and parents will have fun getting fit as a family at the Zoo by stretching their bodies and minds with yoga. This beginner level class is open to children ages 4-10 and their parents.

Ms. Michelle spent the past weekend in Dallas, Texas facilitating a Montessori teacher assistant training at the Hilton Hotel for the local Dallas Montessori community!
What a busy team here!
